

Dear Parents/Guardians,

Academy Endeavour will be using *Schoolology*, an integrated Learning Management System (LMS) instead of teacher websites to communicate information to parents.

At this time, Academy Endeavour will **not** be using *Schoolology* for grade reporting. Please disregard the Grades Tab in *20Learn*.

To login to *Schoolology*, visit <https://asd20.schoolology.com>. Please sign in using your Infinite Campus username (*username_p@asd20.org*) and password.
If you have trouble logging in, please submit a help ticket to help@asd20.org.

There is a course titled “Getting Started with Schoolology” that will appear for every parent. Feel free to open this course for more help with navigation.

Respectfully,
Shelah Hansen
